EXPERIENCE

CBRE Facilities Management Virtual Experience Program   **AUG. 2023**
Forage | Dallas, TX

- Completed a simulation focused on the complex components of facilities management
- Dissected a property inspection, as well as reviewed and identified the next steps for approving a work order

Home Bakery Business | AL Ahmadi, KW   **JAN 2015 – JAN 2021**

- Passionate baker and entrepreneur with expertise in diverse baked goods.
- Proficiently managed a home bakery business in Kuwait, overseeing production, sales, customer service, time management, order fulfillment, and navigating local market dynamics and regulations.

PROJECTS

Almasy Bakes | *Django, Python, JavaScript, SQL*

- The website, powered by Django admin, serves as a bakery recipes platform, offering recipe access, social media connection, creator contact, and Login/Register functionality, while demonstrating proficiency in Python, JavaScript, HTML, CSS, database modeling, and mobile-responsive design.

Social Network Website | *Django, Python, JavaScript*

- Developed a social network with user profiles, post creation, following, likes, pagination, and dynamic UI updates using Python, JavaScript, HTML/CSS, and database modeling.

An eBay-like Auction Site | *Django, Python, SQL, JavaScript*

- Created a Django-based website for listings, bids, and watchlists with backend management, including bid handling, admin interface, web app development, and user authentication.

SKILLS
